Subject: Non-residents for carpool

Dore—

Bruce Stamski brought to my attention that we did approve non-residents participating at a fee of \$100.00, so we need to have a Board of Selectmen vote to approve that fee as well. Can that be put on the agenda for the next meeting?

Sincerely,

Lauren

Subject: RE: Car Pool Fee

The SACRTF voted to present to the Selectmen for approval the following fee schedule for the 6 month interim trial period (12/15/05 to 6/15/06)

The fee for forming a carpool will be \$50.00 total for the 6 month interim period. (A carpool must have a minimum of 3 participants, the participants will split the fee)

There are no additional charges for Acton Residents who already have an Acton Resident Sticker. An Acton Resident without the sticker will have to purchase a sticker to participate.

All non residents who wish to participate will pay a \$100.00 fee each.

Examples:

If a carpool has 3 Acton residents: The group will be charged \$50.00
Total Collected= \$50.00

If a carpool has 2 Acton residents and one non resident: The group will be charged \$50.00 and the non resident will pay \$100.00
Total collected = \$150.00

If a carpool has 3 non residents: The group will be charged \$50.00 and each non resident will pay \$100.00 each
Total Collected= \$350.00

Bruce:

We have the request from Lauren to put the out of town fee on the Selectmen's agenda for Monday. Do you have any written material that I could include in the packet to explain to the other Selectmen what they will be asked to vote?
